

Religion and Ethics - *It's Your Choice*

Did you know that Special Religious Education (SRE) and Special Education in Ethics (SEE) are freely available in NSW Public Schools?

As you prepare your child to begin at a school, you have the choice to register them for a faith-based religion class or a secular ethics class.

Look for the **SRE** and **SEE** options in the school's enrolment information so you can make the best choice for your family.

Simply fill out the **SRE SEE Participation Letter** with your preferences and return it to the school when enrolling your child. Your choice remains in place unless you change it.

For further information check the '**Religion and Ethics**' page on the school website or contact the school office.
