Communication Management

Dear Parents and Carers,

As a school community, we value the relationship we have with our parents and carers. Together we will be better able to support the learning journey of our students. We welcome opportunities to partner with you and to discuss your child's learning throughout the year and encourage you to address any concerns with the relevant member of staff.

There are many ways that Narwee Public School communicates and partners with our school community, including: parent/teacher interviews, face-to-face or phone communication, Class and School Dojo and the school website.

We are committed to working with our parents, carers, students and families to ensure all students are happy and thrive at school. Please use the contact flowchart below to address any questions, issues, complaints to your child's teacher first.

Please contact the school on 9153 9756 to make an appointment to see or speak to your child's teacher or alternatively you can email the school on narwee-p.school@det.nsw.edu.au
