Narwee PS Drumming Group
2025

Dear Parent / Carer

Your child has been selected for the Narwee Public School Drumming Group which will meet on Wednesday mornings at 8:50am in the Music Room for rehearsals each week.

The Drumming Group will be playing djembe drums which will enhance students' co-ordination, improve rhythm reading and performance skills.

The Drumming Group will feature at school events such as our Education Week concert. They will also have the opportunity to perform at the Combined Public Schools Music Festival in August.

Wednesday morning rehearsals need consistent attendance, so if you cannot commit to this time, please do not sign the permission note.
