

Merit Awards

Students earn Merit Awards and keep them throughout their years at our school. The system starts as soon as your child enters Narwee Public School, usually in Kindergarten and continues until they leave at the end of Year 6.

5 Merit Awards	= Green Award
10 Merit Awards	= Red Award
15 Merit Awards	= Blue Award
20 Merit Awards	= Principal's Award
25 Merit Awards	= Bronze Award
30 Merit Awards	= Silver Award
35 Merit Awards	= Gold Award
45 Merit Awards	= Gold Star Badge & Certificate
60 Merit Awards	= Diamond Award

When students collect five yellow Merit Awards, they can hand them to Ms Ilias. All awards are then recorded on a master sheet and are dated and signed on the back before being returned with the relevant coloured award.

When students have collected a total of 45 Merit Awards, they will receive a Gold Star Badge which may be worn to school thereafter. As some students attain the Gold Star before the end of their time at Narwee Public School, a Diamond Award will be given to students who collect 60 Merit Awards.

Parents are encouraged to help their child collect and value these awards by keeping them in a safe place.
