

20 February 2025

Dear Parents/Carers,

Your child has indicated that they are interested in joining the Recorder Group this year. The Recorder Group is being offered to Year 2 and 3 students as part of our extra curricula program.

The Recorder Group has been established to promote music and teach the students the skills of beginning to read music and play a musical instrument. Recorders help young children understand music theory, practice creative thinking skills, and develop finger dexterity.

We will meet at a lunchtime during each week to teach the necessary skills of playing a recorder.

The cost is \$9.00 for the purchase of a recorder. The recorder will be taken home by your child to keep at the end of the year.

Please return the note below to indicate that you give your child permission to join the Recorder Group with \$9.00 to cover the cost of a recorder for your child by **Friday 7 March 2025**.
