

Term 2 – A Managed Return to School

28.04.2020

Dear Parents & Families,

Welcome to Term 2. I trust you enjoyed your family time together over the holidays.

As you know, we are moving into new phases of learning for this term.

Weeks 1 and 2 will have online or paper-based learning continuing, much like last term. This is **Phase 0**.

From **Week 3** beginning on Monday 11 May, we will move to **Phase 1**.

This means your child can come to school for lessons **1 day per week**. This is about 25% of our students each day. Students will be in one of 7 small year groups with a teacher from their stage.

Monday	Tuesday	Wednesday	Thursday	Friday
Currawong Students	Kingfisher Students	Kookaburra Students	Magpie Students	Online or paper based learning from home with teachers 'checking in' on learning
Yellow team	Green team	Red team	Blue team	

In line with our Premier's guidelines, Phase 1 children should be kept at home except for their rostered day and continue to work on the unit of planned work.

Please note that this does not apply to those students who need to attend school.

Our teachers have prepared the same units of work for students for learning from home or school.

The Department of Education Learning from Home website is a resource that you can use as well.

<https://education.nsw.gov.au/teaching-and-learning/learning-from-home> along with

<https://education.nsw.gov.au/covid-19/advice-for-families>

To assist with physical distancing with other adults, we ask that on you 'drop and go' from 9am each morning rather than staying with your child. This will ease the number of adults onsite at any one time.

I am very grateful for the level of support that you have given us at this time as we all work with the current situation and challenges. Please call if you have questions or concerns.

Kind Regards

Rosemary Monin

Principal
