Term 1 – Week 6

Wednesday 4 March 2020

## Principal's Report

All of our K-2 teachers are involved in L3 (Language, Learning & Literacy) learning this year. This Literacy program provides structured learning for reading and writing, so you might like to ask your child about their Literacy group activities to hear what they are focusing on. The program is also very well supported by our Home Reading program where they get to change their book every Monday, Wednesday and Friday.

Our next P&C meeting will be held on Wednesday 11 March at 9.30am. We will have a general meeting followed by the Annual General Meeting (AGM). Nomination forms have been posted on our website and Classdojo if you would like to nominate yourself or another parent for the positions of President, Secretary and Treasurer. I am happy to assist you with these roles if you are uncertain of what to do.

Thank you to Mr Vaccaro for organising our Clean Up Schools Day last Friday. Our school benefited from the clean up, as did nearby Wallace Square where the Stage 3 students helped remove litter. Mr Vaccaro commented that there was a reduction in the amount of plastic and litter that was on the ground which means we must be getting better at putting rubbish in the bin.

Our District swimmers competed at Bexley Aquatic Centre yesterday. Congratulations to each swimmer for having the skills and determination to do their very best on the day. All those swimming lessons and practise has served them well and as parents, you should be proud of their achievements. Thank you to Mr Fournaris and Mrs Matthews for assisting the students on the day.

At our school we are committed to providing a safe, supportive and responsive learning environment for everyone. Our Positive Behaviour for Learning (PBL) program supports this commitment where we model respectful, safe and inclusive behaviours. I have included the NSW Department of Education Behaviour Code for Students.

The next few weeks see many important events happening at our school including Purple Day, Family Harmony Day, Ride to School Day, the K-6 Easter Eggstravaganza and our SRC Disco. It would be wonderful if you are able to join us for the Family Harmony Day performances and the Easter Eggstravaganza. As always have a good week.

Rosemary Monin – Principal

## Year 6 News

An Expression of Interest form is required for all Year 6 students for high school placement for 2021.

**All parents are asked to complete the form and return it to the school before Friday 20 March.**

Please note the Expression of Interest form must be completed for ALL students including those who have applied for placement in a non-government school. If this is the case, and you have been granted a place, please complete Section E – Placement not required.

For those parents intending to apply for a placement at a non-local government school, please read the requirements carefully and consult with the high school if unsure. You will need to thoroughly outline your reasons for seeking non-local placement and many high schools also require you to provide supporting evidence and documentation. If you have any queries about completing the Expression of Interest please speak to your child's class teacher

## Purple Day

**Tuesday 17 March 2020**

In memory of our much loved school captain of 2012 – Lioni Carmelina Havili, Narwee Public School will be holding a Purple fundraiser on Tuesday 17 March 2020.

**Please bring along a gold coin donation.**

Lioni was diagnosed in Year 1 with the Auto Immune disease called Lupus. Throughout her school life she suffered and endured inflammation, pain, fatigue and illness due to both the disease and the medication.

Throughout her school life she was always positive and tried her best in every aspect of school. She always encouraged those around her and participated in all school activities despite her illness. Sadly in 2012 Lioni passed away. Students, staff and community members were all saddened by the sudden loss of such a beautiful member of our school.

All proceeds raised on this day will be donated to the Lupus Association of NSW. Although orange is the colour associated with the Lupus Foundation, we wear purple as it was Lioni's favourite colour.

Children can wear purple clothing and bring in a gold coin donation.

We look forward to filling our school with the colour of purple on the day and raising money to go to a worthy cause.

**Remember: Wear purple and bring in a gold coin.**

## Sport Levy

If your child takes part in PSSA sport on Friday mornings, please ensure they pay their \$6.00 sport levy to their coach each Friday morning before they get on the bus.

**Please do not pay your child's sport money online.**

Failure to pay this levy will see your child forfeit their spot on the team for that week and they will remain at school.

Please ensure your child brings sunscreen and their school hat each Friday to protect them from the sun. They also need to have a filled water bottle each week to keep them hydrated throughout the morning.

## Family Harmony Day BBQ

The Canteen will be holding a BBQ to celebrate our Family Harmony Day.

A BBQ lunch will be available for all students and parents.

Sausages in a roll will be available to purchase for \$4.50 each.

## Eggs on Legs Optional Activity

### An Egg-citing opportunity to be creative!

The Annual Easter Hat Parade is in Week 11 and we would like all students to be a part of it.

Year 3-6 students are asked to get creative and make an 'Eggs on Legs' costume to parade on the day. The possibilities are endless and all students are encouraged to participate.

The 'Eggs on Legs' must be Easter themed and could include a costume made with egg shaped cardboard, a colourful mask or a decorated cardboard display.

All costumes will be proudly paraded at our Easter Hat Parade on Wednesday 8 April for the enjoyment of our school community.

## School Disco

Just a reminder that our disco is being held on Thursday 4 April. Times for the disco are as follows:

Kindergarten - Year 2: 4.15pm – 5.45pm

Year 3 - Year 6: 6.00pm – 8.00pm

Tickets are \$3.00 per student and must be purchased no later than Friday 20 March

### No tickets will be sold on the night.

The disco is for Narwee students only. For supervision and safety we cannot permit parents and siblings to stay.

### Only those students on Bronze Level or above may attend the disco.

A canteen run by the SRC will be available on the night for students to purchase snacks. A price list will be sent home in the newsletter closer to the date of the disco.

For safety reasons we ask that parents drop off and pick up their child/ren at the hall door on time.

Mrs Lennon

## K-2 Easter Hat Preparations

Students in Kindergarten, Year 1 and Year 2 will be decorating their Easter hat creations at school in class.

The Easter hats will be decorated at school and we ask each child to bring along the shell of the hat made out of cardboard but not decorated. This can be any shape as long as it fits your child's head.

All students are asked to bring any decorations that can be found at home. Some suggestions are ribbons, stickers, streamers, pictures, tinsel, glitter, textas etc. Extra glue and masking tape will also be helpful.

Kindergarten to Year 2 students will be making their hats with their Primary buddy class.

All materials will need to be at school in a plastic bag marked with your child's name on it by Monday 23 March ready for construction of the hats to commence that week.

We look forward to having you join us for our Annual Easter Eggstravaganza. We are sure this will be a very special day for all of our students and their families.

All students will be given a chocolate egg to take home after collecting their cardboard tokens during the Easter egg hunt.

If you do not want your child to receive a chocolate egg, please advise their class teacher by sending back the slip that has been sent home today.

## Class News

If you have a concern or query about your child's learning, the staff at Narwee Public School encourages you to let us know.

The first 'port of call' should always be the class teacher as they will have the best knowledge of your child's learning. If you would like to make an appointment to speak to your child's teacher please either send a note or contact the office who will pass a message on to the relevant teacher.

If it is an urgent matter, you can talk to the teacher, but please be aware that teachers cannot take phone calls during the teaching day. Likewise if you phone before or after school, teachers may also have a meeting or be preparing for class. A message will be left for them and they will get back to you as soon as they are able to.

Please be assured that we value open communication with parents, and our teachers are happy to make an appointment to discuss your concerns.

## House Points & Uniform Spot Check Points

HOUSE POINTS

UNIFORM SPOT CHECK

## Head Lice

Head Lice infestations are a common occurrence particularly in primary school.

- About 23% of primary students have head lice at any one time.
- Anyone can get head lice regardless of age, sex or how clean their hair is.
- Head lice move from one person's head to another via hair.
- Head lice do not survive long when they are off a human head.
- Head lice do not live on furniture, hats, bedding or carpet.
- Head lice have built up some resilience to treatments.

### Treatment

Chemical treatments are available from the chemist or supermarkets. Daily combing with a white conditioner using a fine tooth comb is also effective in getting rid of head lice and eggs (nits).

### Tips for reducing the spread of head lice

As infestations are particularly common in primary schools it is best to choose a treatment that can be used over time. There is no single solution to eradication, only perseverance.

- Regularly check your child's hair.
- Teach older children to check their own hair.
- Tie back and braid longer hair.
- Keep a fine tooth head lice comb in the bathroom and encourage all family members to use it when they wash their hair.

## School Resources

School Resource Fee notes were sent home with all students in Week 2. This fee covers items such as Home Reading requirements, school magazines, online programs, handwriting books along with other resources your child will be using throughout the year.

If you have not already made this payment please ensure it is made by Friday 6 March.

**All students are required to pay this fee.**

## School Safety

Safety of our students is a priority at Narwee Public School. We need to be aware of any people that are within the school grounds at all times.

All parents/carers are reminded that when entering the school grounds during the day they must report to the front office first. This includes when picking children up early or visiting throughout the day to drop something off.

Parents are not permitted to wander around the school grounds during school hours. We appreciate your support in this matter.

## Student Afternoon Pickups

Please notify the office on 9153 9756 or 9153 5578 if there are any changes to your child's after school pick-up arrangements so this information can be passed on to the class teacher. This will help ensure the safety and well-being of all students.

If you are going to be late picking up your child it is also important that you contact the school prior to 3.20pm.

## School Start Time

### Teachers are not on duty until 8.50am

If your child arrives at school before 8.50am they could be alone and unsupervised. Parents/carers are responsible for the supervision of their child/children before 8.50am.

If your child arrives before this time they need to be in the care of an adult for their own safety and not be left unsupervised.

Before and After School Care is offered for students of our school by 3 Bridges. This care is offered on-site. Please contact 3 Bridges on 9580 0688 if you would like more information.

## Road Safety

For the safety of all school children please do not stop or park your car on or near any pedestrian crossing and ensure you observe all safety and 'No Stopping' signs.

A child's perception, judgement and awareness of potentially dangerous situations is generally not sufficiently developed to properly cope with the road environment until they are at least 10 years of age. Children need adults to set a good example and to supervise them closely in and around traffic including roundabouts, traffic lights and car parks.

Remember that watching children is never enough. Keep your children safe by holding their hands as you cross any road.

Please remind your child that crossing the road should always be done with care. Important things they should remember are:

- Always cross the road at a pedestrian crossing or traffic lights.
- Always look right, then left and right again before crossing the road to check there are no cars coming.

## Medication at School

Please be reminded that under no circumstances are students permitted to have medication in their school bags other than their asthma puffer. This is for the safety of all our students.
