

Narwee Public School Merit Awards System

K - 6

At Narwee Public School we reward our students for good behaviour, their achievements and all the special things they do at school.

Students are presented with yellow Merit Awards each week in their classroom. They collect them throughout their years at school. The system starts as soon as your child enters Narwee Public School and continues until they leave at the end of Year 6. Modifications will be made for students commencing after Kindergarten.

5 Merit Awards = 1 Green Award
10 Merit Awards = 1 Red Award
15 Merit Awards = 1 Blue Award
20 Merit Awards = 1 Principal's Award
25 Merit Awards = 1 Bronze Award
30 Merit Awards = 1 Silver Award
35 Merit Awards = 1 Gold Award
45 Merit Awards = 1 Gold Star
60 Merit Awards = 1 Diamond Award

Whenever students collect 5 yellow Merit Awards they can hand their awards to their class teacher or give them to Mrs Pentecost. All awards are recorded on a master sheet and are dated and signed on the back before being returned with the relevant coloured award.

Awards from any calendar year may be handed in as long as they have not previously been dated and signed on the back.

When students have collected a total of 45 Merit Awards, they will receive a beautiful Gold Star badge which may be worn to school thereafter. As some children attain the Gold Star before the end of their time at Narwee, a Diamond Award will be given to children who collect 60 Merit Awards.

Please help your child collect and value these awards by keeping them in a safe place.
